## **OBJECTIVE**

To become a great football player, each athlete must learn the fundamentals of the game. The KC Football camp will provide instruction in all phases of football. Players will be divided into groups according to age and position, allowing individual skills to be taught. By exposing our campers to current and former Division-I players, successful college and high school coaches, we hope to instill a burning desire to become great football players. AND HAVE FUN!

## **AWARDS**

Each camper will receive a camp certificate. Awards will be given out daily.

## **INSTRUCTION**

The KC Football Camp is a NON-CONTACT CAMP. Our camper-to-coach ratio is very low which provides each camper quality one-on-one instruction. Emphasis for younger campers is basic skill development. For older campers, more time is spent on intermediate skills that will prepare the individual for competition.
