

**KILGORE COLLEGE  
BIOLOGY AND HEALTH SCIENCES DIVISION  
SCIENCE COURSE DATA SHEETS PACKET**

**PLEASE READ CAREFULLY**

**October 27, 2009, 4:30 p.m. is the deadline to submit the packet**

A modified plan for science course registration will continue for students needing science courses in the Spring 2010. This modified plan requires students to submit a science data sheet packet. **It is the responsibility of each student to submit the data sheet packet to his or her prospective program director.** The data sheet packets are course request forms with vital student information. Students are asked not to submit a data sheet packet with more than one prospective program director.

Students currently enrolled in Chemistry 1406, 1411, Biology 2404., 2401, 2402 and 2421 day and night classes should ask their instructor to record the current numerical grade average, absences and tardies. Both the instructor and student will sign the form. All completed science courses require documentation by the student. Therefore, the student should attach a transcript from campus connect, ([www.kilgore.edu](http://www.kilgore.edu)) to verify the completed grades.

A student not enrolled in a science course in the Fall 2009 should submit the science course data sheet packet to his or her prospective program director. All completed science courses require documentation by the student. Therefore, the student should attach a transcript or a degree audit from campus connect ([www.kilgore.edu](http://www.kilgore.edu)) to verify the completed grades.

Data sheet packets are objectively placed in ranking priority order by each program director. For example, it is important to serve students within a program that need courses to graduate. The next level of ranking usually involves current grade averages and completed grades from prerequisite courses. Prospective program directors will register their students in ranking order on **October 29 at 4:00 p.m.** After 6:00 p.m., registration will be completed and students must check their schedule through the campus connect website at [www.kilgore.edu](http://www.kilgore.edu). **It is the responsibility of each student to check their registration status.** If the student did not receive a science class; they should contact their prospective program director to be placed on a waiting list. Waiting lists will be discarded at the end of early registration and new waiting lists will begin the week before regular registration. All prerequisite courses must have a final grade of "C" or higher to receive or remain in the science course.

**YOUR REQUEST WILL BE REJECTED OR DELAYED , IF YOU ARE MISSING ANY PART OF THIS PACKET ( 3 PAGES) OR IF YOU HAVE A HOLD OF ANY KIND OR IF YOU DO NOT MEET THE PREREQUISITES. ALL HOLDS MUST BE CLEARED PRIOR TO October 29, 2009 AT 4:00 P.M..**

**A COMPLETED PACKET MUST BE STAPLED TOGETHER IN THE UPPER LEFT HAND CORNER TO BE ACCEPTED.** (This means NO paper clips, dog eared pages, or loose pages; all the parts must be submitted at the same time.)

**this page for your records.**

**Major:**

**Program Directors & Locations:**

- Bachelor of Science BSN/RN.....Laney Mobley, ES 113
- Associate Degree Nursing (RN) at Kilgore College.....Dayna Davidson, TV 111
- LVN to RN Transition at Kilgore College... ..Dayna Davidson, TV 111
- Pre-professional (Pre-Dental, Pre- Medicine or Pre-Vet.).Laney Mobley, ES 113
- Occupational Therapist Assistant.....Laney Mobley, ES 113
- Dental Hygiene.....Laney Mobley, ES 113
- Diagnostic Medical Sonography.....Laney Mobley, ES 113
- Health Information Technology.....Laney Mobley, ES 113
- Kinesiology.....Wendy Brown, PE101A
- Medical Laboratory Technology at other College.....Laney Mobley ES 113
- Physical Therapist Assistant at Kilgore College.....Carla Gleaton, TV113A
- Pre-professional PT, OT.....Carla Gleaton, TV113A
- Radiological Technology at Kilgore College.....Ursula Dyer, ATC118
- Respiratory Therapy.....Laney Mobley, ES 113
- Surgical Technology at Kilgore College.....Paula Carter, ATC102A
- Other Health Science Major Outside of KC (not listed)....Laney Mobley, ES 113
- Specify:\_\_\_\_\_

**Pre-requisite courses in which you are currently enrolled or have completed must be grade of “C” or higher:**

Course	Numerical Grade	# Absences	# Tardies	*Final Grade Completed
CHEM 1406				
CHEM 1411				
BIOL 1406				
BIOL 2404				
BIOL 2401				
BIOL 2402

Please enroll me for the following course marked below:

**Both AP I and II in one semester**

**AP I taught the first eight weeks (093F) Limit 24**

**AP I starts on January 19 and ends March 12, 2010:**

\_\_\_\_\_ Biology 2401.F01, 10:00 - 11:20 **M-R** Lecture, McCutchen  
Biology 2401.FL1, 8:00 - 9:50 **M-R** Lab , McCutchen

**AP II starts on March 22 and ends May 14, 2010 (094F)**  
**Registration will be after AP I grades are posted**  
**with grade of C or better.**

Biology 2402.F01, 10:00 - 11:20 **M-R** Lecture, McCutchen  
Biology 2402.FL1, 8:00 - 9:50 **M-R** Lab. , McCutchen

**M-R** denotes classes meet Monday through Thursday
