Student's Name: _____

Date of Birth: _____ Age: _____ Grade in 2009-2010*: _____

**You must be entering the 8th or 9th grade to participate.*

Kilgore College Science Investigation Summer Day Camp is a camp for talented 8th and 9th graders to participate and learn the use of Chemistry and Biology Labs for forensic purposes. Students will be exposed to graphic items that may be found at a crime scene.

There will be no actual blood or any other harmful substances at the mock crime scene. The labs will involve experiments such as DNA sampling and testing and other labs that may include exercises that are not usually done in a typical 8th and 9th grade classroom or lab. Students will be fingerprinted. We may feature videos or slide shows that pertain to forensics (similar to what you see on TV for Crime Scene Investigation shows). Our guest speaker is a police officer with the Longview Police Department and he may include safety issues as well as the study of forensics.

The above-named student ("Student") wishes to attend and participate in the Kilgore College Science Investigation Summer Day Camp ("KCSI"). I understand that KCSI may involve the activities set forth above including but not limited to mock crime scene investigation, laboratory experiments, and audio/video presentations regarding crime scene investigations. I understand further that local media, including radio, newspaper or television, may wish to record or photograph participants in KCSI.

1. I hereby grant permission for my Student to attend and participate in KCSI.
2. In the case of injury to my Student, I hereby grant permission for the Program Administrator, to take steps reasonably necessary to obtain emergency care, if warranted. The steps may include but are not limited to the following:
 - a. Attempt to contact Parent/Guardian at the number(s) provided below.
 - b. Attempt to contact person listed on application as EMERGENCY contact or alternate at the number(s) provided.
 - c. Contact the Kilgore College Police Department or Emergency Services (911).
 - d. Provide emergency medical care and transport to a hospital or clinic, if necessary.
3. I hereby grant my child permission to be photographed, recorded or interviewed by radio, television or newspapers for news accounts related to KCSI.

Waiver of Claim: In consideration of my Student's attendance at KCSI, any and all claims, past and future, against Kilgore College, its agents, employees, officers and trustees ("Releasees") are expressly waived, including claims that Releasees were negligent by action or by failure to act. It is further expressly agreed and understood that Student and Parent/Guardian assume any and all risk for Student's attendance and participation at KCSI and that Releasees shall not be held liable for any death, personal injuries or property damage. It is also expressly agreed that Parent/Guardian assumes full financial responsibility for any and all injuries to Student or damages caused by Student while participating in KCSI.

4. I acknowledge that I have read and understand KCSI rules and regulations and further that I understand and agree to the terms and conditions set forth in this Consent, Waiver and Release of Claims.

KCSI LAB & CLASSROOM SAFETY CONTRACT

Please print

Student's Name: _____

You will be issued a name badge on our first day and MUST wear it at all times while on the campus.

Participation in lab is a privilege! Students are expected to act responsibly. Consequently, any misbehavior or failure to follow directions and safety rules may result in the student's removal from the camp. Students will not be able to participate in labs unless this form is signed and in the Camp Administrator's possession.

LAB & CLASSROOM RULES:

1. No unsupervised work is allowed in labs at anytime.
2. Students may not enter storage areas or other classrooms without express permission of instructors.
3. Students are not allowed to remove anything from the classroom or lab without permission of the instructors.
4. **DO NOT PLAY AROUND WITH THE EQUIPMENT. NO HORSEPLAY ALLOWED AT ALL.**
5. Safety goggles **MUST** be worn when indicated by the instructor. **ABSOLUTELY NO EXCEPTIONS.**
6. Read all lab instructions before beginning any experiment and take care to avoid causing accidents by sudden movements or inattention to the experiment. Listen carefully to directions.
7. Dress appropriately for labs. **NO open-toed shoes allowed in labs.** Care should be taken to keep hair and clothing from heat or flames.
8. Your lab space should be clean when finished with the experiment.
9. Never taste chemicals or put your hands in your mouths while handling lab materials. Wash hands thoroughly after every lab.
10. Follow the instructor's directions for disposal of all waste materials and chemicals.
11. Inform the instructor immediately of any accidents, spills, or incidents that occur. Chemical spills or broken glass will be cleaned up by instructors only.
12. You may not "roam" the campus unattended at any time. You must be accompanied by a camp instructor.
13. You must try to be quiet in the hallways of the campus, other classes are being held.
14. Do not bring your toys, games, gadgets, from home. (They could be stolen or broken.)
15. We have a zero tolerance policy for alcohol, drugs, or tobacco products.
16. We have a zero tolerance policy for guns, knives, weapons, or other destructive items.
17. If I am found to be noncompliant with the rules and regulations, I understand that I will be expelled from camp with no refund.

Student's Name: _____

Arrival · Drop-off Location: Engineering Science building Room 317 (see map for location). Parent/Guardian escorts student to registration in the Engineering Science building on the first day. For following days, parent/guardian may drop students off and students may proceed to ES 317.

Arrival Time: Drop off your student between **8:45 a.m-9:00 a.m.** daily. We officially begin classes & labs at 9:00 a.m.

Departure · Pick-up Location: Engineering Science building (see map for location). Students must be picked up by a designated parent/guardian and will not be released to anyone who is not authorized. To obtain permission for an alternate pick-up, parents/guardians must provide written authorization.

Departure Time: Pick up your student promptly at **1:00 p.m.**

Name Badges & Walking Around the Kilgore College Campus Facilities: While at the KCSI Summer Day Camp at Kilgore College, you **MUST** wear your lanyard KCSI name badge at all times. Students may not roam the campus unattended at any time. All students must be accompanied by KCSI Summer Day Camp Staff or Kilgore College Officials, or parents/guardians to walk to other buildings or activities on campus.

Personal Belongings: Personal belongings are the student's responsibility. KCSI Summer Day Camp and Kilgore College will not be responsible for lost or stolen items. Do not bring games, gadgets, or electronic items from home.

Cell Phones: Use of cell phones or electronic communication devices during lectures, classes, and labs is strictly prohibited.

Zero Tolerance Policy: We have a zero tolerance policy for alcohol, drugs, or tobacco products. We have a zero tolerance policy for guns, knives, weapons, or other destructive items. This is enforceable by Texas Law.

Behavior, Conduct and Demeanor: Students are expected to have respectful, mature, and well-mannered behavior. Students will be expelled from KCSI Summer Day Camp for noncompliance with the Rules and Regulations. We prohibit horseplay, hazing, harassment or profanity. Students must try to be quiet in the hallways of the campus while other classes are being held. The Kilgore College Student Code of Conduct is found in the Kilgore College Student Handbook and is available online at www.kilgore.edu or you may request a copy prior to attendance.

Snacks and Break Time: We will provide snacks & drinks on a daily basis and will have a pizza party on our final day. If a student has a food intolerance or allergy, it is the responsibility of the parent/guardian to provide official notice in writing to the KCSI Camp Administrator prior to attending. Snack and drink machines are available on campus. No eating or drinking in classes, lectures, or labs is allowed.

KCSI CAMPUS RULES & REGULATIONS (continued)

Student Medications: Do not bring your medications from home to the KCSI Summer Day Camp. KCSI Summer Day Camp Administrators cannot dispense medications to students. If you need medications, only your parent/guardian may provide it and dispense it.

Computer and Clicker Activity: During the computer interactive crime solving experience, students must abide by the rules and regulations of the Kilgore College Instructional Technology Director.

Dress Code: Dress appropriately for labs (you may bring a lab coat if you have one). Some experiments may be messy. We strongly recommend that students leave their rings/bracelets/jewelry at home. **NO open-toed shoes allowed in labs.** Long hair should be tied back or secured while in labs.

Reminder: You will be issued a name badge on our first day and **MUST** wear it at all times while on the campus.

Student:

If I am found to be noncompliant with the rules and regulations of the KCSI Summer Day Camp or the Kilgore College Student Code of Conduct, I understand that I will be expelled from KCSI Summer Day Camp with no refund.
