

## Quick Education for a Successful Tomorrow

QUEST classes are designed for adult learners who are computer literate and have a computer with Internet access (preferably high-speed access).

QUEST classes are usually offered in a hybrid format, with one-half of the class on-line and one-half in a traditional classroom setting with the instructor.

QUEST classes are offered on Tuesday and Thursday evenings, 6:00 to 8:50 PM

To participate in QUEST classes students must meet all developmental requirements with the exception of **MATH 0308**
