

IMPORTANT NOTICE

for East Texas Regional Science Fair Paperwork

From page 9 of the Intel ISEF 2010 Fair Booklet:

1. All students competing in an ISEF-affiliated fair must adhere to all the rules as set forth in this document.
2. **BEFORE** experimentation begins, an Institutional Review Board (IRB) or Scientific Review Committee (SRC) must review and approve all projects involving human subjects, vertebrate animals, potentially hazardous biological agents, and controlled substances.

Please mail all the required forms to:

Kilgore College
Attn: Dave Bugay
1100 Broadway
Kilgore, TX 75662

OR fax to 903-988-7548

3. **EVERY STUDENT** must review and complete **Checklist for Adult Sponsor (1), Student Checklist (1), Research Plan, and Approval Form (1B)**. Note that projects that do not involve any of the areas in #2 above do not need to forward their paperwork to me. *This paperwork must accompany the project* when it is set up for judging on **March 5, 2010**.

Note that these forms are found on the ISEF website and on pages 29-41 of the ISEF Rules and Regulations Booklet.

Please refer to pages 6-10 of the booklet for the complete list of these rules and the Ethics Statement. Pages 11-28 contain additional information regarding projects that need pre-approval by the SRC.

- **It is very important that all projects entered have these forms completed, signed, and dated accurately.**
- **Failure to have this paperwork completed will disqualify the project from competition at the East Texas Regional Science Fair.**
