INTEGRATED EDUCATION AND TRAINING (IET)

**AEL + IET = Entry-Level Career!**

**WHAT IS IET?**
The IET Program joins Adult Education and Literacy, including ELA, with workforce training. Students attend Adult Education and Literacy classes plus workforce skills training concurrently or at the same time!
The goal is to get our students to the first economic tipping point – a vocational certificate! This allows students to get on a path to higher skilled and better paying careers in occupational fields that are in demand.
The expected outcome of the IET Program is going to work.

**CAREER PATHWAY TRAINING TO INCREASE YOUR LEARNING AND EARNING POTENTIAL**

**BENEFITS OF IET**

- Obtain a High School Equivalency or improve ELA skills while earning an occupational certificate!!!
- Increase your career and/or employment potential!!!
- Free or reduced tuition, books and Work Keys
- Career Investigation and Contextualized Learning Activities

**PARTICIPANTS CAN EARN A CERTIFICATE IN:**

- Certified Nursing Assistant
- Medication Aide
- Phlebotomy
- Entrepreneurship
- Business Software
- Office Professional
- Customer Service
- Welding (Beginning, Intermediate and Advanced)

**I AM INTERESTED! WHAT ARE MY NEXT STEPS?**

- Complete the application on the back of this sheet and return it by fax, U.S. mail, or in person to our office (fax number, location and physical address listed on application).
- Contact our office for training information (such as class start and ending dates, class location and class schedule, or for any other questions you may have).
