Symphonic Instrumental Performance at Kilgore College

The Kilgore College Wind Symphony is Kilgore’s concert band that performs contemporary, standard and unique wind band works of many styles from different eras.

Focused on developing ensemble sound and artistic repertoire, the Kilgore Wind Symphony performs over 20 works each year throughout its performance season, many of which are new or recently published. Conducted by Derrick Logozzo, Director of Bands, the ensemble performs various evening and daytime concerts as part of the Kilgore Performance Calendar. Placement auditions occur throughout the year for all qualified woodwind, brass, percussion and pianist instrumentalists. Scholarships are available. Members include mainly music majors and minors, as well as participants with a background in concert band performance. Additional sectional rehearsals outside of class time occur on an as-needed basis. Kilgore-owned Instruments and Instrument lockers are available for student use as needed from the Kilgore College Instrument Collection.

Many guest clinicians, soloists and conductors from various music fields will visit and perform regularly with the Wind Symphony.

The Wind Symphony performs a varied repertoire, including new wind orchestra works, world music selections, classical and operatic transcriptions, traditional marches and patriotic tributes.
