PRIMARY EMPLOYER TAX ABATEMENT AGREEMENT

STATE OF TEXAS §
COUNTY OF GREGG §

This instrument is a Primary Employer Tax Abatement agreement executed by and between the City of Kilgore, Texas; and Composite Fluid Transfer, LLC dba Composite Piping Technology (Company) and Composite Piping DevCo, LLC (Developer). Company and Developer are related LLCs with common ownership. Its terms and conditions are supported by good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged.

RECITALS

A. The Texas Property Redevelopment and Tax Abatement Act and all amendments thereto, Chapter 312 of the Texas Tax Code ("Law") provide that the governing body of an incorporated City (such as the City of Kilgore) has the power to create one or more Reinvestment Zones for the abatement of ad valorem taxes assessed against real property or tangible personal property located on the real property provided that certain conditions as detailed in the Law are met.

B. Developer will own real property ("Real Property") and Company will own personal property ("Personal Property") located within the city limits or extraterritorial jurisdiction of the City of Kilgore ("City").

C. The City has designated by ordinance the Real Property as City of Kilgore Reinvestment Zone No. 7 (the "Zone") eligible for the abatement of ad valorem taxes assessed against the Real Property or certain tangible Personal Property located thereon. The Ordinance creating the Zone is included as Attachment "A" with Exhibits "A" and "B" describing and depicting the Zone. By virtue of the City's following the requirements of the Law in creating the Zone, the City and Developer and Company now exercise their rights to enter into this instrument, the terms and conditions of which are detailed below and, together with the Attachments and Exhibits, constitute the full and complete agreement ("Agreement") between the City and Developer and Company concerning the abatement of ad valorem taxes assessed against the Real Property and Personal Property within the Zone and otherwise payable to the City.

TERMS AND CONDITIONS

1. The first year of tax abatement under this Agreement shall be the year as stated in Section 1 (d) of Attachment "B". All valuations are determined by the Gregg or Rusk Appraisal Districts as of January 1st of each year.
2. The percentage of abatement and properties covered are described in Attachment "B" and Attachment "C" attached hereto and made a part hereof.

3. Developer will construct within the Zone improvements to the Real Property and for use in the Zone ("Facilities") by March 31, 2025 ("Completion Period") spend or cause to be spent a minimum of $4,363,000 in real property improvements, and Company will purchase or place on the tax rolls $9,963,000.00 of machinery and equipment personal property, exclusive of inventory. The improvements and any personal property will immediately be rendered with Gregg Appraisal District.

4. A list of the kind, number and location of all proposed improvements constituting the Facilities are attached to this Agreement as Attachment "C". Employees and/or designated representatives of the City will have access to the Zone during the term of this Agreement to inspect the Facilities to ensure that any improvements are being made and the terms and conditions of this Agreement are being met. All inspections will be made during normal business hours and will only be conducted in such a manner as to not unreasonably interfere with the construction and/or operation of the Facilities.

5. The use of the Real Property and/or Personal Property is limited to those uses consistent with the general purpose of encouraging development or redevelopment of the Zone during the period that property tax exemptions are in effect. Developer will declare the Real Property to be the tax situs of the Personal Property and Company and Developer will render both the Real Property and the Personal Property with Gregg County Appraisal District during each year this agreement is in effect.

6. In the event that either or both Developer or Company (a) allows its ad valorem taxes owed the City and the other participating tax entities to become delinquent, or (b) violates any of the terms and conditions of this Agreement by failing to make the improvements and repairs or renditions as provided by this Agreement, or (c) fails to maintain existing jobs and create the new jobs contracted for, this Agreement then may be terminated by the City and the other participating tax entities, and all Taxes otherwise abated by virtue of this Agreement will be recaptured and paid to the City by Company within sixty (60) days of the termination. The determination of a violation shall be in the sole discretion of the City. As an alternative, the City may, in its discretion, not declare the Agreement terminated, but it must certify to the Gregg or Rusk Appraisal District that Company has failed to qualify for an abatement for that tax year.

7. In the event that the Facilities are completed and Company commences operations, but subsequently discontinues operations for any reason excepting fire, explosion or other casualty or accident or natural disaster for a period of one year during the Abatement Period, then this Agreement shall terminate and so shall the abatement of the Taxes for the calendar year during which the Facility no longer operates. The Taxes otherwise abated for that calendar year shall be paid to City within sixty (60) days from the date of the termination.
8. Both Developer and Company must annually, on or before January 31st of each year, certify to the City Council that it is in compliance with the terms of this Agreement as of January 1st of that year. (Attachment F)

9. Should the City determine that either or both Developer or Company is in default in the terms and conditions of this Contract, then the City shall notify Developer and/or Company at the address stated below or personal notice.

10. This Agreement is made subject to all conditions, prohibitions, obligations, acts of default, termination, reimbursement and recapture contained in Chapter 312 of the Property Redevelopment and Tax Abatement Act. In case of conflict between this Agreement and §312.204 of the TTC, §312.204 shall control.

11. The City shall have the right to see that the jobs the Company is contracting to create are indeed created and maintained on an annual basis for the duration of the Abatement. The Company will be required to fill out attached Form A and submit it to the City annually. (Sample Job Creation Form A is attached as Attachment "D"). In addition, Company will provide City with Texas Employment Commission Employer's Quarterly Report (Currently known as Form C-3), Form 941 filed with the Internal Revenue Service for each calendar year and a roster of its employees at the end of each year, listing the total number of hours worked by each employee during that year and the positions filled by each employee. Developer and Company will also provide City with copies of its tax renditions with the Gregg Appraisal District for both Real Property and Personal Property during each year of this agreement.

All jobs created and maintained pursuant to this Agreement must be jobs in Kilgore, Gregg or Rusk County, Texas, must be a new full-time job (or full-time job equivalent) created over and above Company's existing employment base as of the date of this Agreement, and must be a full-time job filled by an employee (or employees), who has or have worked a minimum of 1820 hours during the calendar year. This hourly requirement, in the sole discretion of City, may be prorated if this Agreement is signed after the first of any year. Existing jobs located within commuting distance will not be considered newly created positions.

12. If Company makes additional capital improvements over and above the dollar amount specified in this Agreement, it can receive credit for the additional capital improvements in lieu of creating jobs. The specific dollar amount of capital improvements to take the place of a job created shall be as determined by the Kilgore City Council.

13. Additional Terms and Conditions are contained in Attachment "B".

14. All notices required or contemplated by this Agreement shall be addressed as follows:
If to Developer or Company, to Composite Fluid Transfer, LLC dba Composite Piping Technology (Company) and Composite Piping DevCo, LLC, 4200 B Stone Road, Kilgore, TX 75662 and

If to the City, then to 815 N. Kilgore St, Kilgore, Texas 75662, Attention: City Clerk of the City of Kilgore, Texas.

15. The terms and conditions of this Agreement are binding upon the successors and assigns of all parties hereto. This Agreement cannot be assigned by Developer or Company unless permission is first granted by the City, in its sole discretion.

16. This Agreement was approved by the affirmative vote of a majority of the members of the governing body, the City Council of the City of Kilgore, at a regularly scheduled meeting on the 25th day of April, 2023, and R. E. Spradlin III, Mayor, was authorized to sign on behalf of the City of Kilgore, Texas.

17. The execution of this Agreement was authorized by both Developer and Company, and B. G. Clark, President of Company was authorized to sign on its behalf and Reuben S. Martin, A.P. Merritt was authorized to sign on behalf of Developer.

18. This Agreement is performable in Gregg County, Texas.
