

JQ Engineering - Project Engineer - Dallas, TX

Build a strong foundation for your engineering career with an award winning company. Enjoy the growth and challenge that comes from working on a wide variety of projects. Move forward in your career with plenty of room for professional advancement.

JQ Engineering is looking for a **Project Engineer** to join their team in **Dallas, TX**. In this position, you will enjoy working on a diverse portfolio of projects throughout the entire state. Build a strong base of experience and enjoy working on everything from university stadiums, commercial renovations, and more.

Learn from some of the best in the industry! Imagine working alongside veterans in the business with over 25 years of experience that are more than happy to mentor you and help you grow. As a JQ employee, you will enjoy the potential for advancement into other roles like associate, principal, or even partner! It is time to work for a company that offers you a brighter, more stable future.

Some of the benefits to you:

- Above average compensation
- A top notch benefits package that includes: medical, dental and vision coverage, life insurance, short and long term disability and 401(k)
- A company laptop

If you have a **Bachelor of Science Degree in Civil Engineering and an EIT certification (or the ability to take the Fundamentals of Engineering exam within six months of hire)**, JQ Engineering wants to hear from you!
