More Information:

At Live Music Tutor we are seeking music and technology lovers! A computer, webcam and high-speed internet connection are required for you to teach from your home or studio. All of our instructors are independent contractors so you get to make your own schedule and teach when you want to. Instructor candidates go through a hiring process that includes a background check and company orientation to help you learn how to use our online teaching tools. We also have a customer service team that will help both you and your students have an experience that will exceed your expectations, even if you are new to online education.

Go to (<http://www.livemusic tutor.com/>) and click on (NEW INSTRUCTORS), then click on (Submit Instructors Application). Once received one of our recruiters will contact you to confirm the information and speed you through the process. If you have any questions please feel free to e-mail us at jadams@livemusic tutor.com and one of our recruiters will contact you.

Becoming a part of Live Music Tutor will provide:

- Flexible hours with unlimited earnings potential
- Ability to teach whenever you want
- No fees
- Access to students from around the world
- Virtually all business aspects provided for you, including administration and marketing
- Unlimited opportunities for professional growth
- Teacher development for advanced learning

Our unique platform will provide the flexibility for instructors to teach either full or part time in a dual-based curriculum geared for students interested in becoming professional musicians or just seeking to learn a song or two. LMT is seeking instructors for beginner, intermediate, advanced and expert level students. Each instructor has a profile on the system that includes their picture and detailed information about their experience and qualifications to help students find the right instructor for their needs. Students can select the instructor of their choice based on age, musical genre and any instrument or voice. The students can also choose any available time, day or night, and enjoy the lessons within the convenience of their homes. Students (and instructors) earn points for lessons, practicing, viewing videos and uploading their own videos. The points system can help instructors track their student's participation and provides a powerful social networking component to encourage more involvement in the world of online music education.
