

JOB DESCRIPTION: SERVICE TECHNICIAN

As a service technician for Wholesale Supply, Inc., you will perform general maintenance on foodservice equipment, including commercial ice machines, reach-in refrigeration equipment, and water filtration equipment.

Wholesale Supply, Inc. serves a 26 county region as an authorized service provider for various commercial foodservice equipment manufacturers. Work performed will require travel within this territory. Company transportation is provided.

Other duties would include, but not be limited to:

- Performing delivery, installation and start-up of equipment.
- Performing routine preventative maintenance to foodservice equipment.
- Conducting thorough site surveys for potential customers.
- Discussing work performed with customers.

Requirements:

- Must be able to easily lift heavy equipment.
- Must be dependable and punctual for daily work.
- Must be clean shaven to work in restaurants.
- Must have good written and verbal communication skills.
- Must have good customer-relation skills.
- Clean driving record.
- Valid Driver's License.
- Must have basic tools.
- Must have basic plumbing and electrical experience.
- Must be able to pass a drug test.
- Must be willing to attend training classes and/or seminars as required.

Education/Training:

- Refrigeration experience/degree/certifications/training.
- Refrigeration License is a plus.
- Must have high school diploma or equivalent.

Compensation/Details:

- Pay will be based on experience.
- Medical insurance benefits available.
- Monday – Friday, 8a.m.-5p.m.
- Technicians are required to be on-call weekends on a rotating schedule. Typically 1 to 2 times per month.
