

# JIM FISHER & ASSOCIATES, Inc.

We are a commercial and residential builder in Longview Texas.

We have been in business for 40 years.

We are currently looking for a student with knowledge of web design to bring our company into the future. You would be helping us update our already established website downloading pictures, deleting old information and renewing website to market our company!

We would work around your schedule and the salary is negotiable.

Please contact our office ASAP and let's get to work together marketing our business!
