

JOB:

Diesel Truck Technician position for PACCAR Leasing in Tyler

Company Information

PACCAR is a Fortune 500 company established in 1905. PACCAR Inc is recognized as a global leader in the commercial vehicle, financial, and customer service fields with internationally recognized brands such as Kenworth, Peterbilt, and DAF trucks. PACCAR is a global technology leader in the design, manufacture and customer support of premium light-, medium- and heavy-duty trucks under the Kenworth, Peterbilt and DAF nameplates and also provides customized financial services, information technology and truck parts related to its principal business.

Whether you want to design the transportation technology of tomorrow, support the staff functions of a dynamic, international leader, or build our excellent products and services, you can develop the career you desire with PACCAR. Get started!

Division Information

PACCAR Leasing, a PACCAR division, was founded in 1980 to provide premium Kenworth and Peterbilt vehicles to leasing and rental customers. PacLease is one of the fastest-growing commercial truck leasing companies in the transportation industry. With independent and company-owned locations throughout the United States and Canada, PacLease provides customized full-service lease, rental, and contract maintenance programs designed to meet your specific fleet needs.
