

Heating, Ventilation, Air Conditioning & Refrigeration (HART)

(Offered at KC - Longview)

The Heating, Ventilation, Air Conditioning & Refrigeration Program prepares students for entry-level work in the field of heating, ventilation, air conditioning, and refrigeration. The curriculum consists of one certificate, which will lead directly to an associate of applied science degree. Students are required to purchase their own basic hand tools from a list made available on the first class day. Classes begin every August.

First Year
