Old Business

1. Faculty Survey
 - a. Survey results have been sent to Dr. Holda, Dr. Stanglin, and the deans.
 - i. Questions to be answered at next meeting:
 1. Is there any policy about people traveling to other campuses – does this count as conference or on-campus hours?
 2. WHERE can we hold the 5 hours of “conference hours”? Seems to be confusion about where these need to be held. Can we do these in the gym?

New Business

2. Tuition and fees increase
 - a. We will once again have to pay money back to the state so the board passed an increase in tuition and fees to cover the loss.
3. Evaluation process changing for leadership roles
 - a. Evaluations of VP's and the president will now be done through Survey Monkey.
4. Developmental Probation Policy
 - a. Students at the 0304 level who do not complete the requirements of probation or are not successful on their third attempt will be required to enroll in Adult Basic Education the next semester in order to continue their education at Kilgore College.  - b. Students at the 0306 or 0308 level who do not complete the requirements of probation or are not successful on their third attempt will be required to select one of the following options to continue their education at Kilgore College:
 - i. change their major to a certificate program with developmental requirements which they already meet or
 - ii. register only for developmental courses (6 hours maximum).
 - c. Students on Developmental Probation will sign a document stating that they understand this policy. This policy will apply only to students who are not TSI complete.

5. Other
