PHI THETA KAPPA
Gamma Omicron Chapter at Kilgore College

Frequently Asked Questions

How does a student get invited to join PTK?
To be eligible for membership in the Gamma Omicron Chapter of Phi Theta Kappa at Kilgore College a student shall:
   a. Be enrolled in Kilgore College
   b. Take at least 12 hours of non-developmental academic courses in the long semester preceding induction OR have a total of 12 hours over the course of at least two semesters as a part-time student
   c. Have no less than a 3.5000 grade point average (based on a 4.0 scale). Developmental courses do not apply.

What GPA do I need to maintain after induction into PTK? To uphold membership, a student shall maintain a *cumulative* GPA of no less than a 3.2500. This shall include only college work done while at Kilgore College within the last five years.

What if my GPA falls below this? A student may be placed on probation for one semester AND still participate in the chapter activities. If the GPA does not return to a 3.2500 or higher, the student will no longer be a member of PTK.

How do I participate in the Kilgore College chapter of PTK? The Gamma Omicron Chapter of PTK meets twice a month. We also sponsor several service activities during each semester, which allows you the opportunity to volunteer your time to worthwhile projects.

What does it cost to join PTK? The current fees are $70. This is a one time only fee.

What are the benefits of joining PTK? Each member will be eligible for many scholarship opportunities through the State and International Office. All invitees who join and pay their dues, will receive a PTK pin, a gold seal on their Kilgore College diploma, and their transcript will be stamped with the PTK seal.

Where can I go to order my graduation regalia? Graduation regalia can be purchased through the PTK website which includes a stole, honor chords, gold key and tassel to wear during graduation ceremonies.
