Phlebotomy - PLAB 1023 and PLAB 1060 Clinical

Fall Class: Sept. 1 – Nov. 24, 2020

13 weeks, 200 hours, $795 ($400 classroom tuition, $365 clinical tuition and $30 required insurance)

The Phlebotomy program at Kilgore College is selecting applicants to enter the Fall class. Students will learn proper venipuncture techniques. Students completing the Phlebotomy training will test for the American Society of Phlebotomy Technicians national certification. Additional expenses include the required textbook $165, national exam fee $90, drug screen and background check $46, Scantrons, clinical attire $80, documentation of vaccinations. CPR certification will be given in class and the fee is $40.

Eligibility Requirements:

- Minimum age of 18 years old prior to first class day
- Minimum education of high school diploma or GED

Selection Process

There is a selection process to get into the Phlebotomy class, which should be started at least by the end of July for the Fall class. The first step is for an applicant to schedule and take the Workkeys assessment.

Students must score 4 or higher on each of the three assessment areas to receive an interview. Workkeys assessments are given at both the Longview and Kilgore Campuses. To register for the assessment at the Kilgore campus call 903-983-8683 to register by phone for the assessments given on Wednesdays at 9 am. The fee for the assessment test is $50. To register for the assessment at the Longview campus, one must go to the campus located at 300 S. High St. in Longview and bring their Driver's License at least 24 hours in advance. Tests are given on Tuesdays at 2 pm and Thursdays at 9 am. To call for more information on the assessments at the Longview campus, call 903-753-2050.

- Turn in assessment results and Course Registration Form to jalcantar@kilgore.edu.

Registration Deadline to apply for the program is Friday, August 7th, 2020.

Students selected for an interview will be contacted by phone or email as of the above listed Registration deadline.

Items needed if selected into the Phlebotomy program:

Individuals invited to enter the program will be considered pre-admission until after providing these required documents: All documents must be turned in by Friday, before the first class day.

- Copy of birth certificate or driver’s license
- Copy of high school diploma, transcript or GED
- Documentation of all required basic or childhood immunizations including a current negative Tuberculosis Skin test, documentation of starting or completing the Hepatitis B vaccination and a current flu shot.
- A current negative drug test
- A current clear background check

Deadline to turn in all paperwork is Wednesday, August 26, 2020.
