Dear Prospective Student:

Thank you for your interest in the Physical Therapist Assistant Program at Kilgore College. There are a limited number of applicants admitted to the program due to limited space in the classroom, restricted faculty: student ratio, and available clinical assignments. Application to the PTA program is a multi-step process. Acceptance to the program is based on multiple criteria. Applicants will be ranked by points using information the student provides to the PTA Department.

If after reviewing this packet you have questions, please feel free to contact me.

Kristi Kleinig, PTA, M.Ed.
Physical Therapist Assistant
Program Director

Step 1

For admission consideration, one must first be admitted to Kilgore College. This requires that the following must be on file in the Registrar’s Office at Kilgore College. Send or have sent the following information to:

REGISTRAR’S OFFICE
Kilgore College
1100 Broadway
Kilgore, TX 75662

1) Completed application for admission to Kilgore College with all necessary immunizations including the bacterial meningitis vaccination if applicable.
2) Be TSI complete or exempt. If there are questions in regard to your TSI status, please contact the Testing Office at (903) 983-8215. If remediation has been mandated by testing, all remedial courses must be completed or with a plan for completion before entering the program.
3) **An official copy of all college transcripts for transfer must be sent to Laura Mulanax, the Health Occupations Counselor. She will analyze each transcript, post it on a degree audit, and then take it to the Registrar’s Office to be scanned into the computer. This does not include work taken at Kilgore College. These must be official transcripts from the College/University where the course was taken; courses shown for transfer credit on a different institution’s transcript do not fulfill this requirement.**

If you are currently attending Kilgore College, you may have already completed Step 1 and do not need to repeat it. **Transcripts on file in the Registrar’s Office does not fulfill the transcript requirement in Step 2.**
Step 2

In addition to admission to Kilgore College, a student must submit additional materials as part of an application packet for the Physical Therapist Assistant Program. The deadline for all applications is April 23, 2021. Application packets may be mailed or hand-delivered; however, all completed application packets must be received in the PTA Office (HSC G65) by noon on April 23. This PTA application packet requires that the following be submitted in its entirety to:

PHYSICAL THERAPIST ASSISTANT PROGRAM
Kilgore College
1100 Broadway
Kilgore, TX 75662

Submit the following materials to the above address to complete your application packet for the PTA Program:

_____ 1) Physical Therapist Assistant Application For Admission form (included)

_____ 2) If you have attended or are attending college, submit an official copy of all college transcript(s), including one from Kilgore College. Official transcripts mean they are sent directly from the Registrar of the college or university in a sealed envelope with the raised seal of the institution on the transcript. Allow sufficient time for these transcripts to be sent to you before you have to send them to us in your completed packet. Have these transcripts sent directly to you. DO NOT OPEN THESE TRANSCRIPTS OR THEY MAY BE INVALIDATED. ENCLOSE THEM IN YOUR PACKET IN THEIR SEALED ENVELOPES. OFFICIAL TRANSCRIPTS ON FILE IN THE REGISTRAR’S OFFICE DO NOT FULFILL THIS REQUIREMENT. While we often advise applicants to retake A & P courses with a “C” or lower to improve their score, attempts to retake A & P more than twice (including “W”s) will result in point deductions. If you have not completed a course by this time, a letter with your grade for the semester signed by your instructor and included in your packet.

_____ 3) Two Applicant Reference Forms (included) - One reference must be from an employer or a teacher if you have not or are not working. This one will complete the “EMPLOYER” reference form. The other can be from another employer, co-worker, teacher, counselor, pastor, or friend and will complete the “OTHER” reference form. The reference forms should not be completed by a family member. These are the only two reference forms that will be allowed in your packet.

_____ 4) A typed, 1.5-spaced, well-developed one-to-two page essay that explains your interest in the PTA Program. Spelling and grammar count so use all available resources. Use a readable 12-point font, 1-inch margins, and 1.5 line spacing. Comment on previous work experience/observations, hobbies, or personal experiences that demonstrate a strong interest in and knowledge of the field of physical therapy and your role as a PTA. Include ideas about how the PTA Program and subsequent licensure as a licensed physical therapist assistant may assist you in your personal/professional goals. Indicate why you want to become a PTA.

_____ 5) Evidence of at least 16 hours of work or observation in at least three different types of Physical Therapy Departments/Clinics for a total of 48 hours minimum on the Physical Therapy Exposure of Observation/Work forms (included) where you have observed under a licensed PT or PTA. One form must be used for each setting type. There are more than three setting type forms attached - you only have to complete three of them. Each PT or PTA that you work or observe under must complete a Volunteer/Observation Evaluation Form (included) to be included in a sealed envelope. Copies of this Form may be made as needed. (***All observation must be completed under a licensed PT or PTA. Points will be deducted if observation forms are completed by any other healthcare provider other than a licensed PT or PTA)

_____ 6) A resume or brief outline of your work experience for the last 10 years.

_____ 7) Signed Essential Job Functions form (included).
Applicants without all of the above will not be considered. Please read the above instructions carefully. Failure to follow instructions will result in points being deducted from your score and may affect your acceptance into the program. After the above information has been reviewed, interview eligibility will be determined and interviews will be scheduled on a **Friday or Saturday early in June**. If you are granted an interview, you will be instructed on how to schedule additional required testing, if any, prior to the interview. This testing will be determined at a later time but will focus on reading comprehension and critical thinking.

The final decision will then be made as applicants will be numerically ranked and placed into available openings according to their rank. All applicants will then be notified of their conditional acceptance, alternate status, or non-acceptance. For those conditionally accepted, they will be required to successfully pass an online Criminal Background Check and a local Drug Screen within a short time frame after notification. Upon successful completion of the Drug Screen and Criminal Background Check, they will be officially accepted into the program to enter in the fall. If anything shows up on the drug screen or criminal background check, this must be clarified as noted on the website before the student can enter the program. The new Criminal Evaluation History procedure through the Executive Council of Physical Therapy and Occupational Therapy Examiners may take up to 120 days to complete so you need to start this process early if you know there is something that will show up on your Criminal Background Check. Even though Kilgore College has an open-door policy, the Physical Therapist Assistant Program must limit their enrollment. **Successful completion of these criteria provides proof of qualification for the PTA Program but does not guarantee admission to the program.** There is no restriction as to race, color, religion, national origin, sex, age, disability, marital status, veteran status, or genetic data. If the applicant does not meet minimum requirements of the admission criteria, the student will be directed to the Department of Guidance and Counseling for help in setting other career goals. Applicants who show questionable potential are advised to complete non-PTHA support courses and remedial courses. When they are successful in these classes, they can apply to the PTA Program for further consideration.

Dear Clinician,

Thank you for allowing this applicant to the Kilgore College PTA Program to observe (or work) in your facility as part of their application process. Each applicant is required to complete a minimum of 16 hours of work or observation in each of three different types of physical therapy to help the applicant understand a little more about the field of physical therapy and what a physical therapist assistant actually is and what they do.

Please evaluate this applicant on his/her professional behavior during their experience in your facility. Only one form is required per facility even if you are able to offer multiple types of physical therapy exposure. Please sign the form at the bottom and return it to the applicant in a sealed envelope with your name across the seal. Only the PTA Program admissions committee will have access to your markings and comments on the form.

Thank you so much for your invaluable assistance to the program and the profession.

Please circle your response using the following key:
