scope, nature, and complexity to that requested by the College. The College prefers educational or governmental entity references. Each of the references must include the following information:

a) Entity name
b) Industry Type
c) Address, City, Province/State/Country

Each alternate or exception should be addressed separately with specific reference to the requirement. If there is no proposed alternates or exceptions, a statement to that effect must be included in this section of the proposal.

   b. Exceptions to the Agreement and Terms and Conditions. The college’s Sample Agreement for Services, including the Insurance Requirements, general and supplemental Terms and Conditions, will be used to consummate any resulting agreement between the College and successful proposer. Any exceptions requested from the Sample Agreement must be included in this section. Any proposed additional terms (i.e., terms not already covered by the College Sample Agreement) or alternate terms required by the firm should be included here with a brief explanatory introduction. NOTE: interested proposer is expected to engage in good faith negotiations, and as such, is encouraged to select a reasonable number of agreement terms of substance and importance. Lengthy lists with proposed exceptions or requests for exceptions in non-negotiable terms (e.g., state-mandated provisions; federal compliance, etc.) will not be considered. Further, unless expressly requested by the College Procurement Manager, proposer should NOT include its firm’s standard form of agreement with its proposal: Any resulting agreement between College and successful proposer will be drafted on the College’s form.

6. Proposer’s Proprietary/Confidential Information
In the event the proposer elects to include in its proposal any information deemed “proprietary” or “protected,” it shall package such information separately from the balance of the proposal and clearly mark as to any proprietary claim. The College discourages the submission of such information and undertakes to provide no more than reasonable efforts to protect the proprietary nature of such information. The College, as a public entity, cannot and does not warrant that proprietary information will not be disclosed. The College shall have the right to use any and all information included in the proposals submitted unless the information is expressly restricted by the proposer.

7. Cost Proposal
The proposer shall complete the Cost Proposal Form included in the RFP (Section 6), or in alternative, use the enclosed Form as a guide in completing its own cost proposal, and shall submit such detailed Cost Proposal together with its original proposed packet. The Cost Proposal shall conform to the following guidelines:
   a. Prices shall be shown by item and individually extended, unless otherwise indicated. In case of a conflict between unit price and extension, unit price prevails.
   b. Proposals that include equipment or materials should not include sales tax. The College is tax exempt under federal tax EIN 75-6001909.
   c. Prices for services shall be listed hourly, including the total cost and the total number of hours required to complete the services, and, if applicable, any individual category of the services.
   d. For multi-year projects, include the total annual cost for each service.
   e. Provide detailed explanations of any assumptions that the proposer made in calculating the project costs in order to provide sufficient information for the College to be able to prepare a detailed cost analysis and comparison.
   f. Identify when the proposer proposes to invoice the College (e.g., progress payments, milestone, weekly, monthly etc.)
g. Indicate if any items are optional and specify them in a separate section(s).

h. If proposer will be responding to any of the following open Requests for Proposals, the proposer is encouraged to include and detail any such deducts for multiple services.
   • RFP No. 2020-FS006 Food Services Provider
   • RFP No. 2020-FC007 Facilities Maintenance Service Provider
   • RFP No. 2020-FC008 Custodial Service Provider

The College expects that all costs are included in the overall fee for services proposed, and that there will be no additional expenses billed to the College for any reason.

   a. All documents or forms required by the College to be completed by the firm, including the required Certification Forms included in the RFP (Section 8).
   b. Details of any litigation your company or any of its subsidiaries or affiliates has had in the past five years relate to the performance of services provided by your firm.
   c. If a firm has had any previous contracts canceled or is currently debarred, suspended, or proposed for debarment by any government entity, the current status must be documented in this proposal. If any customer has stopped using the products(s) or service(s) you are proposing, provide details including customer name, date when product was installed, date when product was discontinued (usage) and reason for discontinuation, including contact details of the customer.
   d. If the firm intends to use any cooperative, subcontract, third party agreement, or the like to perform under their proposal, the firm must supply the name, address, qualifications and criteria used by the firm for selection of any third party, and the intended services to be performed. The services provided under the Scope of work proposed, in part or in whole, shall not be subcontracted without proper written permission of the College.

9. Certifications
By signing the Proposal Form (included in Section 6), the proposer certifies that the submission of the proposal did not involve collusion or other anti-competitive practices; that the proposer has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with the submitted proposal.    b. Contractor further warrants that (i) it owns or has sufficient rights in all Deliverables, and no Deliverables will infringe on or violate any intellectual property rights of any third parties; (ii) no code or software developed or delivered by Contractor under this Agreement will contain any viruses, worms, or other disabling devices or code; and (iii) in addition to any implied warranties, all Deliverables will conform to the specifications and descriptions created therefor.

6. **Scope of Relationship.** Contractor is an independent contractor. Neither Contractor nor any of Contractor’s employees, agents, or subcontractors, or their employees or subcontractors (collectively, with Contractor, “Contractor Parties”), shall be deemed employees, agents, partners, or joint ventures of College, and nothing in this Agreement will be construed to authorize either party to act as agent for the other.

7. **Intellectual Property.**
   a. Colleges Intellectual Property. All intellectual property that Contractor may make, conceive, discover, develop, or create, either solely or jointly with any other person or persons including College, pursuant to or in connection with the Services, including all intermediate and partial versions (“Contract IP”), will be owned by College, and where applicable, all copyrightable Contract IP will be considered “Work Made for Hire” under the U.S. Copyright Act, 17 U.S.C. §101 et seq. To the extent that any Contract IP is not, by operation of law, agreement or otherwise considered work made for hire for College (or if ownership of all rights therein do not otherwise vest exclusively in College), Contractor hereby irrevocably assigns, without further consideration, to College, all rights, title, and interest to all Contract IP. For purposes of this Agreement, “Intellectual Property” or “IP” means all forms of legally protectable intellectual property, including copyrights, trademarks, inventions, patent applications, patents and mask works, drawings and/or blueprints.

The College Data also includes all data and information provided directly to Contractor by College students and employees, and includes personal data, metadata, and user content. The College Data will be College’s Intellectual Property and Contractor shall treat it as College’s confidential and proprietary information. Contractor will not use, access, disclose, or license or provide to third parties any College Data, or any materials derived therefrom, except: (i) to the extent necessary to fulfill Contractor’s obligations to College under this Agreement; or (ii) as authorized in writing by College. Upon request by College, Contractor shall deliver, destroy, and/or make available to College any or all of College Data.

8. **Confidentiality**
   a. If, during the Term, either party is provided with access to or otherwise is exposed to confidential and proprietary information relating to the other party’s business practices, strategies, and technologies, as well as the other party’s confidential information, including personnel records, health and safety reports, or any other documentation of a private or confidential nature, including educational records covered by Section 9, and College Data, covered by Section 7.3 of this Agreement (collectively, “Confidential Information”), the party shall handle and store such Confidential Information in a secure manner so as to prevent that information from being intercepted by unauthorized persons, lost, published or otherwise disseminated. Neither party shall reproduce or otherwise use any Confidential Information except in the performance of the Services, and will not disclose any Confidential Information in any form to any third party, either during or after the Term, except with the other party’s prior written consent.
   b.    c. Upon expiration or termination of this Agreement, the parties shall cease using all originals and all copies of Confidential Information, in all forms and media, in the party’s possession or under the party’s control, and shall either (i) promptly return such Confidential Information to the other party; or (ii) where required and/or authorized by law, maintain in a confidential and secure manner until the information is properly destroyed at the end of any applicable retention period.

9. **Retention of Records/Audit**
   a. For a period of not less than two (2) years after the termination of this Agreement, Contractor shall maintain, in a single, reasonably accessible location approved by the College, all material data, files and records pertaining to its performance under this Agreement and to charges and costs paid or payable by the College under this Agreement, including, without limitation, all related contracts and insurance files.
   b. During the term of this Agreement and for a two (2) year period following the termination of this Agreement, all of Contractor's data, files and records referenced in the above Section of this Agreement may be inspected, audited and copied by the College, its duly authorized agents, representatives or employees or by federal or state agencies having jurisdiction over the College, at such reasonable times as the College may determine.
   c. Certified payrolls may be requested by the College to validate that Contractor’s employees assigned to a
College facility have received allowed wage increases and that the Contractor is making appropriate withholdings. Certified payrolls are prepared and/or approved by an independent Certified Public Accountant and must be furnished within thirty (30) calendar days of request.

10. **Educational Records; FERPA.** College is subject to the Family Educational Rights and Privacy Act (FERPA), 20 U.S.C. § 1232g, and any educational records that may be provided to Contractor pursuant to this Agreement shall be used solely for the purposes of performing Services under the Agreement and shall not be disclosed except as provided by law.

11. **Public Records.** The parties acknowledge that College is a public entity subject to the provisions of the Texas Public Records Laws. In the event that a public records request is received by College requesting records described as confidential, which College determines must be disclosed, College shall notify Contractor party prior to disclosure.

12. **Privacy and Security.**
   a. If Contractor, or its agents, or any tier of Contractor's subcontractors in the performance of this Agreement hosts or maintains College’s Confidential Information on its technology, Contractor warrants that the hosting or maintenance of that information meets applicable legal and industry security standards, including qualifying for “safe harbor” rules under applicable data breach laws.
   b. At all times during the Term, Contractor shall maintain appropriate administrative, technical and physical safeguards to protect the security and privacy of the Confidential Information in use, in motion, and at rest. These safeguards include, but are not limited to, implementation of adequate privacy and security policies and data breach response plans that comply with industry standards and the requirements of applicable laws and regulations, as long as they meet or exceed College’s information security and privacy policies and procedures. Upon request, Contractor shall provide College with copies of those policies and plans.
   c. Contractor shall maintain and enforce personnel policies that appropriately check the backgrounds of its employees who will be providing services to College. Upon request, Contractor shall provide College with copies of those policies.
   d. In the event Contractor has reason to believe that an actual or suspected security incident or any other circumstance has occurred in which College may be required to perform a risk assessment and/or provide a notification under applicable law, Contractor shall immediately, and in no event later than twenty four (24) hours, notify the College’s Facilities Director. Any such notice shall provide a description about the Confidential Information that was accessed as Contractor has available at the time of the notice. Contractor shall keep the Facilities Director updated promptly as additional details about the nature of the Confidential Information become available.
   e. In the event of a breach, Contractor shall mitigate, to extent practicable, any harmful effect that is known to Contractor of a use or disclosure of Confidential Information in violation of this Agreement by Contractor or its subcontractor. 13. **Damages.**
   a. IN NO EVENT SHALL CONTRACTOR BE LIABLE TO COLLEGE OR COLLEGE LIABLE TO CONTRACTOR FOR ANY INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES OR LOSSES OR LOST PROFITS OR, ANY EVENT BEYOND THE CONTROL OF CONTRACTOR OR COLLEGE RESPECTIVELY. However, the limitations on indirect, incidental or consequential damages set forth in this Section shall not apply to, or in any way limit, Contractor's indemnity obligations under this Agreement.
   b. Contractor shall be liable for the loss of or damages to the College’s property when such loss or damage arises from the negligent or unlawful acts or omissions of Contractor or its employees.
   c. The Contractor is responsible for reporting, in writing within seventy-two (72) hours of the occurrence, damage to College property or personal property on College premises. Failure to make report to the College of the occurrence, within the specified time, may be cause for termination of this contract.

Such indemnification shall specifically include (i) infringement claims made against any and all intellectual property supplied by Contractor and third party infringement under the Agreement; and (ii) claims related to the disclosure of College’s Confidential Information.

15. **Use of Names; Trademarks.** Neither party shall use the other party’s trade name, trademark, service mark, logo, domain name, or any other distinctive brand feature (“Marks”), or the names of the party’s employees in any publicity or advertising material without prior written approval by the other party. Contractor’s personnel, agents, and subcontractors shall comply with all reasonable requests of College communicated to Contractor regarding personal and professional conduct, and shall otherwise conduct themselves in a businesslike manner.

17. **Compliance Generally.** The parties shall comply with the requirements of all applicable state and federal rules, regulations, and executive orders, including the Americans with Disabilities Act (ADA), 42 U.S.C. § 12132, Immigration and Nationality Act (INA), 8 U.S.C. § 1324a, and A.R.S. § 41-4401.

18. **Equal Opportunity; Non-Discrimination.** The parties shall comply with the requirements of 41 CFR §§ 60-1.4(a), 60-300.5(a) and 60-741.5(a), prohibiting discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities, and prohibit discrimination against all individuals based on their race, color, religion, sex, or national origin.

19. **Misuse of Public Funds.** Contractor warrants that, with respect to any Federal, State, or local government funds: (i) Contractor has not been terminated under section 432 of the Higher Education Act for a reason involving the acquisition, use, or expenditure of such funds; (ii) has not been administratively or judicially determined to have committed fraud or any other material violation of law involving such funds; and (iii) Contractor or its officers or employees have not been convicted of, or pled nolo contendere or guilty to, a crime involving the acquisition, use, or expenditure of such funds, or administratively or judicially determined to have committed fraud or any other material violation of law involving such funds. A breach of the foregoing warranty shall be deemed a material breach of this Agreement. In addition to the legal rights and remedies available to College under the Agreement and law, in the event of such a breach, College shall have the right to terminate this Agreement.

20. **Federally-Funded Agreement.** If this Agreement is funded through federal contract or grant, directly or indirectly, Contractor shall comply with all applicable provisions of Attachment E.

21. **Non-Assignment.** This Agreement is personal to Contractor. Contractor shall not assign any of the Contractor’s rights or delegate any of the Contractor’s obligations under this Agreement to any other person or entity without the written permission of College. Any attempted assignment or delegation by Contractor shall be void and ineffective.

22. **Referencing of Orders.** For each order issued against this Agreement, College intends in good faith to reference the RFP used in procuring the Contractor’s services for pricing, terms and conditions, delivery location, and other particulars. However, in the event College fails to do so, College’s right to such terms, conditions, and particulars
shall not be affected, and no liability of any kind or amount shall accrue to College.

23. **Price Adjustment for Multi-Year Contracts.** Price changes will normally only be considered at the end of one Agreement Term and the beginning of another. Price change requests shall be in writing, submitted at least sixty (60) days prior to the end of the current Term, and shall be supported by written evidence of increased costs to Contractor. College will not approve unsupported price increases that will merely increase the gross profitability of Contractor at the expense of College. Price change requests shall be a factor in the Agreement extension review process. College shall, in its sole opinion, determine whether the requested price increase or an alternate option is in the best interest of College.

24. **Right to Offset.** College shall have the right to offset against any sums due to Contractor, any expenses or costs incurred by College, or damages assessed by College concerning the Contractor’s non-conforming performance or failure to perform the Services under this Agreement, or any other debt owing College.

25. **Stop Work Order.** College may at any time, by written order to Contractor, require Contractor to stop all or any part of the work called for by the Agreement ("Stop Work Order") for a period of up to ninety (90) days after the order is delivered to Contractor, and for any further period to which the parties may agree. Upon receipt of the Stop Work Order, Contractor shall immediately comply with its terms and take all reasonable steps to minimize the incidence of costs allocable to the work covered by the order during the period of work stoppage. If a Stop Work Order issued under this provision is canceled or the period of the order or any extension expires, Contractor shall resume work. College shall make an equitable adjustment in the delivery schedules, pricing, or both, and the Agreement shall be amended in writing accordingly.

26. **Gratuities.** College may, by written notice to Contractor, cancel this Agreement if it is discovered by College that gratuities, in the form of entertainment, gifts or other were offered or given by Contractor or any agent or representative of Contractor, to any officer or employee of College with a view toward securing an agreement or securing favorable treatment with respect to the awarding or amending, or the making of any determinations with respect to the performing of such Agreement. In the event the Agreement is canceled by College pursuant to this provision, College shall be entitled, in addition to any other rights and remedies, to recover or withhold the amount of the cost incurred by Contractor in providing such gratuities.

27. **Insolvency.** College shall have the right to terminate the Agreement at any time in the event Contractor files a petition in bankruptcy; or is adjudicated bankrupt; or if a petition in bankruptcy is filed against Contractor and not discharged within thirty (30) days; or if Contractor becomes insolvent or makes an assignment for the benefit of its creditors or an arrangement pursuant to any bankruptcy law; or if a receiver is appointed for Contractor or its business.

28. **Cancellation for Conflict of Interest.** College may, within three (3) years after its execution, cancel this Agreement without penalty or further obligation if any person significantly involved in negotiating, drafting, securing or obtaining this Agreement for or on behalf of College becomes an employee or agent in any capacity of any other party or a Contractor to any other party with reference to the subject matter of the Agreement while the Agreement or any extension thereof is in effect.

29. **Non-Appropriation.** Contractor acknowledges that College is a public institution and that the continuation of this Agreement from each fiscal year to the next during the Term shall be contingent upon the obligation of sufficient funding by the governing body for College. College shall notify Contractor in writing as soon as reasonably possible after the unavailability of funding comes to its attention, but no later than sixty (60) days prior to the end of the fiscal year. This provision shall not be construed so as to permit College to terminate the Agreement in order to acquire similar goods or services from another party.

30. **Force Majeure.** Neither party shall be held responsible for any losses resulting if the fulfillment of any terms or provisions of this Agreement are delayed or prevented by any cause not within the control of the party whose performance is interfered with, and which by the exercise of reasonable diligence, that party is unable to prevent.

31. **No Waiver of Right by College.** No waiver by College of any breach of the provisions of this Agreement by
Contractor shall in any way be construed to be a waiver of any future breach or bar the College’s right to insist on strict performance of the provisions of this Agreement.

32. **Dispute Resolution.** In the event of a dispute arising under this Agreement, the parties shall exhaust all applicable administrative remedies provided for under the College Administrative Provisions. Additionally, To the extent that Chapter 2260, *Texas Government Code*, as it may be amended from time to time ("Chapter 2260"), is applicable to this Agreement and is not preempted by other Applicable Laws, the dispute resolution process provided for in Chapter 2260 will be used.

33. **Severability.** If any provision of this Agreement is held to be unenforceable, then that provision will be modified to the minimum extent necessary to make it enforceable, unless that modification is not permitted by law, in which case that provision will be disregarded. If an unenforceable provision is modified or disregarded, then the rest of the Agreement will remain in effect as written.

34. **Governing Law; Venue.** This Agreement shall be governed by and interpreted in accordance with the laws of the State of Texas, without regard to its conflicts of law principles. Jurisdiction and venue for any dispute arising out of this Agreement shall exclusively rest in the Gregg County, Texas.

35. **On-Site Contractor Office Space, Storage and Utilities**
