To All Potential Bidders:

This addendum is issued to modify the previously issued bid document and/or given for informational purposes, and is hereby made a part of the bid documents. Please attach this addendum to the documents in your possession. The original RFP Documents remain in full force and effect, except as modified by this Addendum, which is hereby made part of the RFP. Respondents shall take this Addendum into consideration when preparing and submitting its Proposal. *Per the RFP, the proposer shall acknowledge receipt of any and all addenda, if any, per instructions Section 5/Appendix Three.*

Due to the city’s request for additional information, we will not be able to provide potential bidders accurate information on the scope of work by posted deadline, Tuesday August 20, 2019. Since we do not know how long the city will take in providing their requirements, we need to simply “delay” the deadline to a yet unspecified date.

As soon as we receive instructions from the city, and we adjust our timeline we will post on our website and I will send out an email.
