

Field of Study Transfer Curriculum for Business Administration

This curriculum leads to an Associate of Arts degree requiring 60 SCH with a Field of Study in Business Administration. The program is designed to prepare the student to continue toward a Bachelor of Business Administration degree with major fields in a variety of areas including Accounting, Finance, Marketing, Management, & Management Information Systems. This plan assumes the student has completed any developmental work required. The student must review individual course prerequisites, if developmental work is required.
