Greetings from Kilgore College!

The Fall 2018 Semester is off to a bustling start already! As Director of Enrollment Management and the Registrar, I would like to personally extend our service area high schools a warm greeting.

A large majority of our students are graduates of your East Texas schools, and Kilgore College strives to provide you all with nothing short of radical hospitality. We are looking forward to having you on campus for our annual Counselor’s Luncheon, September 26th. This will be a great opportunity for you to hear of the many updates and upcoming important events in East Texas.

If there is anything our office can do to better serve you and your students, do not hesitate to contact one of our Admissions Counselors, Callie Blakeley, or Wade Cates (contact information provided on page 2).

Best wishes for a successful and productive semester!

Sincerely,

Chris Gore
Director of Enrollment Management and Registrar

Greater East Texas College Night

*Kilgore College will host the annual Greater East Texas College Night on Monday, November 12th, 6:30-8:30 pm*

As part of the Texas Association of Collegiate Registrars and Admissions Officers (TACRAO), Kilgore College participates in a yearly recruiting schedule. Accordingly, Kilgore College will host the annual Greater East Texas College Night at the Maude Cobb Convention Center in Longview, TX. This year, College Night will be on November 12th, from 6:30-8:30 pm. A wide variety of college, university, and military recruiters will have tables set up with promotional information for any and all students who are interested.

College Night is a great opportunity for East Texas students to apprise themselves of the opportunities not only in the state of Texas, but out of state as well. Keep in mind that college fairs are now automated. Students can sign up by going to www.gotocollegefairs.com, or by scanning the barcode above.

Above: Kristi Simpson, KC Fire Academy discusses career opportunities with prospective students at Greater East Texas College Night 2018.
Ranger Preview Day scheduled for February 23rd, 2019

Kilgore College will host its annual Ranger Preview Day on Saturday, February 23, 2019. This is a great opportunity for students and their families to come see what all KC has to offer. The day will include a tour of the main campus, an organizations fair, and several informational sessions over Admissions, Financial Aid, and Student Life. More information can be found at www.kilgore.edu/future-students/preview-day, as well as the link for registration. Please feel free to share this link with your students who are interested in learning more about Kilgore College, no matter the grade level. Registration is already open, so we encourage attendees to early-register.

Fall 2019 Admissions Application opens September 10th

Prospective students will be able to apply for admission to the 2019-2020 academic year through ApplyTexas as early as September 10. The application can be accessed through our website, www.kilgore.edu, then by clicking on ‘Apply Today,’ or by going directly to www.ApplyTexas.org. We strongly recommend the use of personal email addresses as opposed to ‘ISD’, or school emails. Often, there are firewalls that prevent the successful delivery of important emails from Kilgore College, such as the Application Letter, which contains students’ KC IDs, KC email addresses, etc.

FAFSA opens October 1st

High school seniors graduating in May of 2019 will be able to fill out the 2019-2020 Free Application for Federal Student Aid (FAFSA) beginning October 1st, 2018. Students will need their parent’s 2017 tax information to complete the FAFSA. Should students have any questions, the KC Financial Aid Office is available at (903) 983-8211.

We need student information!

Every year, we send out postcards to our service area students advertising the different upcoming events. This is only made possible by your provision of student contact information. We would like to obtain contact information for your Sophomores, Juniors, and Seniors. Please send this information to your assigned Admissions Counselor.

We are here to help!

The Kilgore College Admissions team is readily available to assist you with your school’s needs. Call your Admissions Counselor (see school assignments below) to schedule Operation Application, classroom presentations, or lunch visits. We are also always available to schedule campus tours, whether they be for individual students or groups.
