The following students shall be exempt from the requirements of Texas Education Code; Title 19: Chapter 4-subchapter C, whereby exempt students shall not be required to provide any additional demonstration of college readiness and shall be allowed to enroll in any entry-level freshman course.

For a period of five (5) years from the date of testing, a student who is tested and performs at or above the following standards that cannot be raised by institutions:

- **ACT:** composite score of 23 with a minimum of 19 on the English test shall be exempt for both the reading and writing sections of the TSI Assessment; and/or 19 on the mathematics test shall be exempt for the mathematics section of the TSI Assessment;
- **SAT:** (i) SAT administered prior to March 5, 2016: a combined critical reading (formerly “verbal”) and math score of 1070 with a minimum of 500 on the critical reading test for both reading and writing sections of the TSI Assessment; a combined critical reading (formerly "verbal") and math score of 1070 with a minimum of 500 on the math test for the math section of the TSI Assessment.
- **SAT administered on or after March 5, 2016:** a minimum score of 480 on the Evidenced-Based Reading and Writing (EBRW) test for both reading and writing sections of the TSI Assessment; a minimum score of 530 on the math test for the math section of the TSI Assessment. There is no combined score.
- **Mixing or combining scores from the SAT administered prior to March 5, 2016 and the SAT administered on or after March 5, 2016** is not allowed.
- **For a period of three (3) years from the date of testing,** a student who is tested and performs on the Texas Assessment of Academic Skills (TAAS) with a minimum scale score of 1770 on the writing test, a Texas Learning Index (TLI) of 86 on the math test and 89 on the reading test.

For a period of five (5) years from the date of testing, a student who is tested and performs at or above the following standards that cannot be raised by institutions:

- on the Eleventh grade exit-level Texas Assessment of Knowledge and Skills (TAKS) with a minimum scale score of 2200 on the math section and/or a minimum scale score of 2200 on the English Language Arts section with a writing subsection score of at least 3 or
- STAAR end-of-course (EOC) with a minimum Level 2 score of 4000 on the English III shall be exempt from the TSI Assessment required under this title for both reading and writing; and a minimum Level 2 score of 4000 on the Algebra II
- A student who has graduated with an associate or baccalaureate degree from an institution of higher education.
- A student who transfers to an institution from a public, private, or independent institution of higher education or an accredited out-of-state institution of higher education and who has satisfactorily completed college-level coursework as determined by the receiving institution.
- A student who has previously attended any institution and has been determined to have met readiness standards by that institution. For students meeting non-Algebra intensive readiness standards in math, institutions may choose to require additional preparatory coursework/interventions for Algebra intensive courses, including MATH 1314/1324/1414 (or their local equivalent). It is the institution’s responsibility to ensure that students are clearly informed of the consequences of successful completion of a math pathways model, which results in meeting the math college readiness standard only for specific entry-level freshman math courses.
- A student who is enrolled in a certificate program of one year or less (Level-One certificates, 42 or fewer semester credit hours or the equivalent) at a public junior college, a public technical institute, or a public state college.
- A student who is serving on active duty as a member of the armed forces of the United States, the Texas National Guard, or as a member of a reserve component of the armed forces of the United States and has been serving for at least three years preceding enrollment.
- A student who on or after August 1, 1990, was honorably discharged, retired, or released from active duty as a member of the armed forces of the US or the Texas National Guard or service as a member of a reserve component of the armed forces of the US.
- A student who successfully completes a college preparatory course under Texas Education Code §28.014 is exempt for a period of twenty-four (24) months from the date of high school graduation with respect to the content area of the course. The student must enroll in the student's first college-level course in the exempted content area in the student's first year of enrollment in an institution of higher education. This exemption applies only at the institution of higher education that partners with the school district in which the student is enrolled to provide the course. Additionally, an institution of higher education may enter into a Memorandum of Understanding with a partnering institution of higher education to accept the exemption for the college preparatory course.
- An institution may exempt a non-degree-seeking or non-certificate-seeking student.
- ESOL Waiver—An institution may grant a temporary waiver from the assessment for students with demonstrated limited English proficiency in order to provide appropriate ESOL/ESL coursework and interventions. The waiver must be removed after the student attempts 15 credit hours of developmental ESOL coursework at a public junior college, public technical institute, or public state college; 9 credit hours of developmental ESOL coursework at a general academic teaching institution; or prior to enrolling in entry-level freshman coursework, whichever comes first, at which time the student would be administered the TSI Assessment.
- Any student who has been determined to be exempt in mathematics, reading, and/or writing under subsection (a) or (b) of this section shall not be required to enroll in developmental coursework and/or interventions in the corresponding area of exemption.

The provisions of §4.54 effective December 3, 2003, 28 TexReg 10753; amended to be effective February 28, 2018, 43 TexReg 1059

**SPECIAL NOTICE:** Students enrolling in Level-one Certificate Programs at Kilgore College must test for advising purposes only.
