TSI EXEMPTIONS

Students who meet the following standards shall be exempt from the requirements of the Texas Success Initiative (TSI), whereby exempt students shall not be required to provide any additional demonstration of college readiness and shall be allowed to enroll in any entry-level freshman course.

For a period of five (5) years from the date of testing, a student who is tested and performs at or above the following standards that cannot be raised by institutions:

- **ACT:** composite score of 23 with a minimum of 19 on the English test shall be exempt for both the reading and writing sections of the TSI Assessment, and/or 19 on the mathematics test shall be exempt for the mathematics section of the TSI Assessment;
- **SAT:** (A) SAT administered prior to March 5, 2016: a combined critical reading (formerly "verbal") and mathematics score of 1070 with a minimum of 500 on the critical reading test shall be exempt for both reading and writing sections of the TSI Assessment; a combined critical reading (formerly "verbal") and mathematics score of 1070 with a minimum of 500 on the mathematics test shall be exempt for the mathematics section of the TSI Assessment. (B) SAT administered on or after March 5, 2016: a minimum score of 480 on the Evidenced-Based Reading and Writing (EBRW) test shall be exempt for both reading and writing sections of the TSI Assessment; a minimum score of 530 on the mathematics test shall be exempt for the mathematics section of the TSI Assessment. There is no combined score. Mixing or combining scores from the SAT administered prior to March 5, 2016 and the SAT administered on or after March 5, 2016 is not allowed.
- **GED:** minimum scale score of 165 on the Mathematical Reasoning subject test shall be exempt for the math section of the TSI Assessment. A minimum score of 165 on the Reasoning Through Language Arts (RLA) subject test shall be exempt for the English Language Arts Reading (ELAR) section.
- **HISET:** minimum score of 15 on the Mathematics subtest shall be exempt for the mathematics section. A minimum score of 15 on the Reading subtest and a minimum score of 15 on the Writing subtest, including a minimum score of 4 on the essay, shall be exempt for the English Language Arts Reading (ELAR) section.
- **The 11th grade exit-level Texas Assessment of Knowledge and Skills (TAKS) with a minimum scale score of 2200 on the English test and/or a minimum scale score of 2200 on the English Language Arts test with a writing subsection score of at least 3**
- **STAAR end-of-course (EOC)** with a minimum Level 2 score of 4000 on the Algebra III shall be exempt for both reading and writing, and a minimum Level 2 score of 4000 on the Algebra II EOC shall be exempt for the mathematics section.
- **A student who has graduated with an associate or baccalaureate degree from an institution of higher education.**
- **A student who transfers to an institution from a public, private, or independent institution of higher education or an accredited out-of-state institution of higher education and who has satisfactorily completed college-level coursework as determined by the receiving institution.**
- **A student who has previously attended any institution and has been determined to have met readiness standards by that institution.**
- **A student who successfully completes a college preparatory course under Texas Education Code §28.014 is exempt from the Texas Success Initiative (TSI) assessment required under this title for students with demonstrated limited English proficiency in order to provide appropriate ESOL/ESL coursework and interventions.** The waiver must be removed after the student attempts 15 credit hours of developmental ESOL coursework at a public junior college, public technical institute, or public state college; 9 credit hours of developmental ESOL coursework at a general academic teaching institution; or prior to enrolling in entry-level freshman coursework, whichever comes first, at which time the student would be administered the TSI Assessment. Funding limits as defined in Texas Education Code, §51.340 for developmental education still apply. Developmental Education is not available for high school students.
- **A student who transfers to an institution from a public, private, or independent institution of higher education or an accredited out-of-state institution of higher education and who has transferred to the college prior to graduation, whereby exempt students shall not be required to enroll in developmental coursework and/or interventions in the corresponding area of exemption.**

For a period of three (3) years from the date of testing, a student who is tested and performs on the Texas Assessment of Academic Skills (TAAS) with minimum scale score of 1770 on the writing test, a Texas Learning Index (TLI) of 86 on the mathematics test and 89 on the reading test.
