\*Peer Reviewed Articles (Only academic journal articles in the database are considered peer-reviewed.) \*\*Primary Sources Available

**Additional Library Reference Materials not in Databases:**

**HISTORY: Defining Documents in American History**

**Defining Documents in World History**

**These Resources provide Primary Sources. To access:**

- **Kilgore.edu**
- **(Bottom of the page) Library**
- **In Search Resources box, enter *Defining Documents in American or World History***
- **Click *Watson Library, Kilgore College* (on left side)**
- **Locate the volume you wish to use**
- **Click *access online***
- **Enter search terms in the box or choose a topic under Table of Contents**

**NOTE: Be sure to email each article you find to your email address to have the article and the citation in your email account!**

**To email an article in a Gale database:**

1. Click on the article
2. Scroll to the end of the article
3. Under Source Citation, click on the documentation style you need (MLA or APA)
4. In the ribbon across the top of the article screen, click the paper airplane Send to... icon
5. Click Email
6. Type your email address in the To box and in the From box
7. Under Send As, click PDF if that option is available so the page numbers will be visible in the article. If PDF is not available, click Full Text.
8. Click Send.

**To email an article in an Ebsco database:**

1. Add the article to your folder by clicking the folder icon with a plus sign to the right of the article title in the results list
2. Go to your view folder icon at the top of the screen
3. Click Email and the Citation Format dropdown menu to choose the citation format you need (MLA or APA)
4. Enter your email address in the Email to: field
5. Hit Send

**To email an article in JSTOR:**

1. Click on the article
2. Click on the PDF button at the top right
3. Download the PDF file and change the file name to something easy to recognize and specific to that article
4. Click the Cite this item on the left side of the screen>click the Copy button beside the style you need
5. Paste the citation into an email to yourself, and attach the PDF file of the article to that email
