Phlebotomy

The Phlebotomy program accepts approximately 14 students per course. Phlebotomy is the process of making a puncture in a vein, usually in the arm, with a cannula for the purpose of drawing blood. Students will learn proper venipuncture techniques. Students completing the Phlebotomy course will test for the American Society of Phlebotomy Technicians (ASPT) National Certification. Additional expenses: drug screen and background check \$46. Please also keep in mind that if you do not have all the required immunizations you will have to have them by the due date to start this course and all fees will be paid by you the student.
