Addendum to Spring 2023 Snapshot

A Patient Care Technician (PCT) program was introduced in the 2022-23 academic year. Students who would have normally enrolled in the Certified Nurse Aide Continuing Education program enrolled in the PCT program instead. A total of 71 students were enrolled in the PCT program in the Spring of 2023. The PCT courses are offered under credit education rather than CE, so these students are counted as part of the 4,683 Credit Students in the Spring 2023 Snapshot.
