RE: CSP FY24-FAC10 Landscaping Beautification Project

Kilgore College will not be moving forward with the landscape bid process. We had not anticipated costs to come in at the level they did, so we are having to step back and reevaluate what we can get done in-house.

We appreciate your interest in Kilgore College and the dedication of the individuals in your organization who prepared your proposal.

If I can be of further assistance, you may contact me at the telephone number or email listed below.

Sincerely,

Betsy Hansard
