

Notice of RFP Cancellation

RFP No. FY24-FACMAIN09 - Facilities Maintenance, Custodial, & Groundskeeping Services

After thoroughly reviewing the proposals received, Kilgore College has made the decision to withdraw RFP No. FY24-FACMAIN09. This decision was made to revisit and revise the scope of work to better align with our budget constraints.

Please note that once the scope of work is revised, a new RFP will be posted, and all interested parties will be invited to participate.

Kind regards,

Betsy
