

**REQUEST FOR RE-ADMISSION UNDER THE  
SECOND CHANCE POLICY (Academic Fresh Start)**

Section 51.931 of the Texas Education Code provides Texas residents with the “Right to an Academic Fresh Start”. A student who is returning to Kilgore College after an absence of at least 10 years may seek a fresh start by requesting approval to use the Second Chance Policy upon application for re-admission. Under this policy, all Kilgore College coursework completed 10 or more years prior to re-admission is eliminated from computation of the grade point average (GPA). None of the coursework can be used to meet degree or prerequisite requirements, though the work remains on the student’s record. In addition, coursework cannot be used to satisfy Texas Success Initiative requirements. Further, no credit will be given for transfer coursework earned 10 or more years ago. A student re-admitted under this policy is placed on academic probation.

The student must seek application of this policy **when applying to return to KC**. The policy must be used on or before the last day of the semester or term in which the student returns to school. Financial aid and veterans benefits may be affected by this policy. Acceptability of this policy by other colleges is solely at the discretion of the receiving institution.

---

**I understand the policy as stated above and agree to the following:**

- I will not receive credit for any Kilgore College coursework completed 10 or more years ago, although it will remain on my record.
- Coursework eliminated under this policy cannot be used for degree or prerequisite purposes or to satisfy the Texas Success Initiative.
- I will not receive credit for any transfer coursework earned 10 or more years ago
- This action is final and irreversible.
