**Offices 109C & 106**

**903-988-3787 or 903-983-8645**

### **Community Health Worker**

This comprehensive Community Health Worker training program aims to prepare individuals for a vital role in community healthcare. Community Health Workers serve as liaisons between communities and healthcare providers, playing a crucial role in health promotion, disease prevention, and facilitating access to healthcare services. Upon completion of the course students can apply for certification through Texas Department of State Health Services.
