**PHARMACY TECHNICIAN**

The Pharmacy Technician Program accepts approximately 14 students per course. The students will learn a combination of classroom instruction and hands on training in a realistic pharmacy setting. In order to give our students a more tactile learning environment, Kilgore College has partnered with PioneerRx Pharmacy Software. With the top pharmacy management system, we can emulate the everyday functions and situations that occur every day in pharmacy. Students completing the Pharmacy Technician training will test for the Pharmacy Technician Certification Board (PTCB) certification.
