

DODSON AUDITORIUM

TECHNICAL INFORMATION

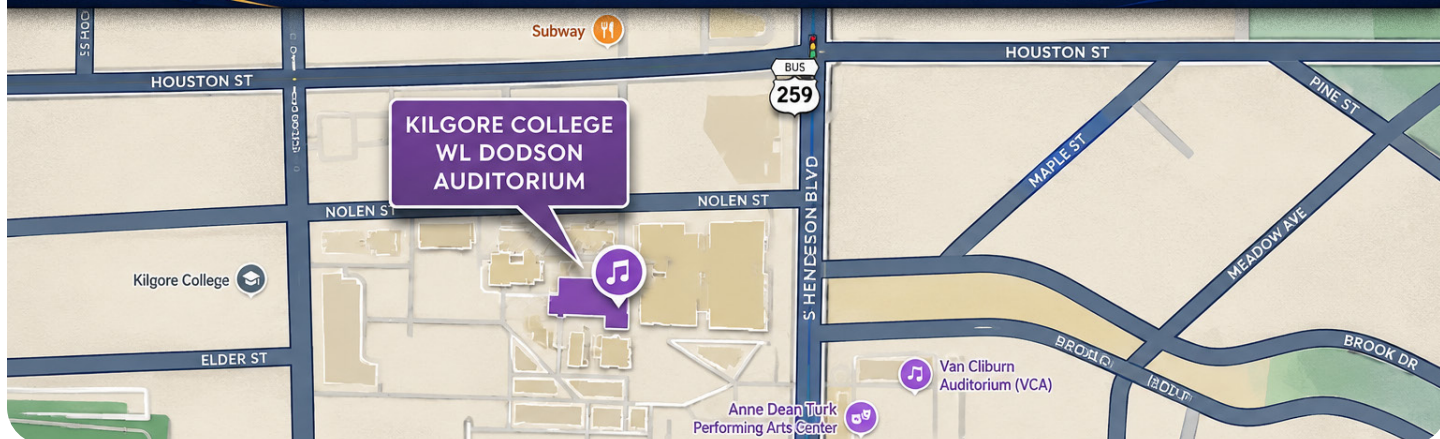

W.L. Dodson Auditorium is one of East Texas' premier entertainment and cultural venues, proudly located on the Kilgore College campus. Since opening in 1952, the 1,420-seat auditorium has served as a centerpiece for campus life and community events, welcoming generations of students, families and visitors.

Throughout its history, Dodson Auditorium has provided the stage for some of Kilgore College's most cherished traditions, including commencement ceremonies and the world-famous Rangerette Revels. The venue has also hosted a wide variety of concerts, theatrical productions, distinguished speakers, educational programs and community celebrations. For more than 70 years, it has remained a gathering place where tradition, culture and entertainment come together for audiences across East Texas.

DODSON AUDITORIUM LOCATION

ABOUT W.L. DODSON AUDITORIUM

W.L. Dodson Auditorium is located on the main campus of Kilgore College in the heart of Northeast Texas.

Kilgore is conveniently situated approximately five miles south of Interstate 20, midway between Dallas, Texas, and Shreveport, Louisiana.

Visitors traveling by air may utilize the East Texas Regional Airport in Longview, located approximately 10 miles east of Kilgore.

Additional commercial air service is available through airports in Gregg County, Dallas and Shreveport.

To reach the Kilgore campus from Interstate 20, take U.S. Hwy. 259 South (Exit 589) and follow signs to Kilgore.

W.L. Dodson Auditorium is located on the college's main campus and is easily accessible from Broadway Boulevard and surrounding campus roadways.
